

ERRATA

In the July 2017 issue of the Telfor Journal, there are two errors in the references of the paper “A Cognitive Radio based Solution to Coexistence of FH and OFDM Signals Implemented on USRP N210 Platform” by Miloš Janjić and Miljko Erić [1].

1. Reference [6] was published uncompleted. The corrected reference is shown in [2].
2. In reference [8] the name of the last author was missing. The corrected reference is shown in [3].

We apologize for any confusion this may have caused.
